Ph.D. (Economics) Programme 2024

PROSPECTUS (Full-time & Part-time)

IIFT (Kolkata Campus)

INDIAN INSTITUTE OF FOREIGN TRADE
(DEEMED TO BE UNIVERSITY)

From the Vice-Chancellor's Desk

Indian Institute of Foreign Trade (IIFT) stands for academic & professional excellence. Over the last five decades, IIFT has nurtured excellence in the arena of international trade and investment. With the modest beginning as a facilitator for external trade in 1963, IIFT has emerged as one of the pioneering Institutes in the Asia Pacific, playing the role of a leading B-School in the Sub-Continent besides being a Think Tank Organization for foreign trade and policy matters and also a hub for research and knowledge dissemination.

Recognizing the immense contribution of IIFT for promoting skill and knowledge in International Business, it was accorded the status of “Deemed to be University” in 2002. The National Assessment and Accreditation Council (NAAC) has recognized IIFT as Grade ‘A+’ institution in 2005 as well as in 2015. Needless to mention that most surveys conducted year after year have ranked IIFT amongst the top 10 B-Schools in India.

In the spectrum of IIFT’s activities, research occupies a unique place because of the institutional emphasis on a strong and pervasive interface between research and theory. Research activities are undertaken both as part of in-house research programmes and at the instance of client institutions, which include Central and State Governments, various Public Sector Undertakings and International Organizations like the World Bank, FAO, International Trade Centre, UNCTAD, WTO, UNIDO, UNESCAP, DFID, etc. The Faculties of the Institute have contributed significantly in various disciplines by regularly presenting and publishing their research in reputed academic and policy forums.

The five-year Ph.D. in Economics (Full-Time and Part-Time) Programme offered at IIFT is one of the most preferred research degree programmes available in Indian and overseas Universities/ Institutes. It is expected that IIFT Ph.D. scholars would make original contributions in their respective fields that helps in expanding the knowledge frontier. It is heartening to note that many IIFT Ph.D. scholars are publishing regularly in reputed refereed national and international journals and other forums.

Till date, IIFT has awarded 65 doctoral degrees across all the disciplines to its successful research scholars and some of them are occupying high positions in academic and research institutes, government departments and leading corporate groups.

I welcome you to become a part of IIFT Ph.D. in Economics (Full-Time and Part-Time) Programme which is an ever-expanding knowledge network at the Institute and excel in your pursuit for knowledge.

DELHI CAMPUS

Located in Qutub Institutional Area, overlooking green ridge and historical Qutub Minar, the IIFT Campus is considered to be one of the finest in the country. The campus spread over 6.5 acres of land houses two academic blocks and two residential blocks for students and visiting faculty. One more residential facility for the students has been created a few steps away from the main campus. Be it the imposing structure of the “atrium”, the mystic beauty of the architectural design called “eye of the universe”, or the splendor of the campus in full bloom in winter, it never fails to impress the visitors.

The campus itself is a very picturesque with artistically designed buildings and well-maintained lush gardens. The facilities available on the campus include, fully air-conditioned lecture halls with modern audio-visual aids, conference halls for round-table conferences, an auditorium of 450 seating capacity, two computer labs, indoor games, sports ground, besides excellent residential facilities for the students. The campus is fully wi-fi enabled. Another campus of the Institute spread over 5.6 acres, located at Maidan Garhi, New Delhi is also under construction and will be operationalized very soon.

Library Facilities

The Institute's has a well-equipped Library with updated knowledge. It has a collection of latest books by eminent authors on Trade, Economy, Management and WTO related issues. It also has a collection of journals, research reports, company reports, CD-ROMs, videocassettes, International Trade Statistics and Databases. Apart from books on traditional Management and Economics related areas, the Library has huge collection of books on upcoming areas like WTO, Intellectual Property Rights, Services Management, Mergers & Acquisitions, Trade Finance, e-Business, Global Business Strategies, International Business Law, and Information Technology, etc. The Library also subscribes to over 235 Journals and Periodicals and has enriched itself with publications of prestigious national and international organizations such as UN, ITC, UNCTAD, WTO, IMF, World Bank, Ministries and Departments of Government of India.

In order to facilitate online access to information, Library has also subscribed to trade related online and offline databases like Blackwell Synergy (28 e- Journals), Balance of Payment, CMIE databases (Commodities, Prowess, India Trade, and Industry

Outlook and Economic Outlook), Commodity Price Bulletin, Direction of Trade Statistics, EIU Online, EBSCO, Emerald Management Extra, e- pharma, IFS, Indiastat.com, Inside Trade.com, JSTOR, OECD e- library, Proquest, Science Direct, Suns Magazine, Trade Map, World Bank Online Database, World Trade Atlas and WITS etc.

IIFT subscribes to Bloomberg, which offers a dynamic network of information for decision-makers. Bloomberg is of great value to B-School students seeking fast access to accurate business and financial information, news and insight around the world. Students are also offered training to familiarize them with this powerful resource. Library facilities are open to participants. The participants are required to deposit of ₹5,000/- for Library membership which is Refundable at the end of the Programme.

Computer Facilities

Recognizing the importance of technology in education, IIFT's Computer Centre has implemented the latest state of the art IT infrastructure to provide a competitive advantage in its core areas of education and research. The Computer Centre aims at providing 99 per cent uptime including ensuring server uptime, data recovery and backup, facilitating storage management, hardware, network operations, streamlining operations and simplifying end-user support.

For its internet requirements, the IIFT avails 150 MBPS leased line from two different ISPs on load balancing. The computer lab for the students is open 24X7 with adequate number of desktop computers. These are fully supported with application software such as SPSS, EViews, SAS, etc. India Trade & Prowess databases from CMIE are also available on the Institute's network. Comprehending the recent advances in functional data analysis and high-dimensional statistics, IIFT, besides the Computer Lab, has an exclusive Data Analytics & Simulation Lab (DASL) with 40 computers with software such as SPSS, Hadoop, SAS, and GTAP etc for Data Analytics and Simulation Courses.

Apart from this, IIFT also uses video conferencing facility for training, research activities besides connecting IIFT Delhi & Kolkata for internal meetings, etc.

IIFT's recent foray in the online education platform has been possible with the state-of-the-art IT infrastructure support being provided for the

Conduct of online programmes, which has enabled IIFT to conduct online sessions on a real time basis using broadband facility. The Institute has a multi-tiered network infrastructure in place. Buildings inside the campus are well connected with fiber network. The network infrastructure is at layer 3 switching level that helps to interconnect all components together on one platform. Institute's network is also supplemented with managed WiFi supporting 802.11n and standards. Over 1000 users have access to this network. Apart from this, classrooms are adequately equipped with LCD projectors and PCs. IIFT also has a fully integrated in-house developed platform, named "Campus360" (<http://campus360.iift.ac.in>) that provides convergence facility to the faculty with the students and the programme office. The Campus 360 enables online attendance, sharing of courseware, result processing, online quiz, opinion polls, assignment submission, dissertation/research project submission, elective selection, port visit option, language selection and many more related activities.

KOLKATA CAMPUS

IIFT' s Kolkata Campus is located at the picturesque East Kolkata off EM Bypass in a sprawling area of around 7 acres, where the lush greenery and serenity fosters a great learning environment. The campus is developed as a green and fully integrated campus with independent blocks for academic, administration and student living areas with all modern amenities. The campus also houses three water bodies to maintain ecological diversity with enough greenery. There are centrally air- conditioned

Modern lecture halls, syndicate rooms, common area, auditorium, open air theatre, common courtyard in its academic and administration blocks on exemplary designs to create a great learning environment. The campus is fully wi-fi enabled.

The Library

The library at Kolkata Campus is gradually growing with resources and other electronic and virtual information. On-line databases (accessible from the campus) are one of the most important and valuable resources of the library. The library provides access to over 200+ full text e-journals on economics, and databases like Economist Intelligence Unit, CMIE Prowess, Industry Outlook, and EPWRF India Time Series. Bloomberg, which is the premier source for global business and financial information, is also installed in the library.

Computer Centre

Kolkata Campus is having 100 mbps for its Internet requirements besides 20 mbps NLD between Delhi & Kolkata campuses. WiFi services are also made

Available to the students in the campus. Libsys, Prowess, India Trades, Bloomberg Terminals, World Trade Atlas services have been facilitated locally from IIFT Kolkata Digital lab at IIFT Kolkata is well equipped with 30 latest model computers for student access. Kolkata campus also has an online classroom studio to conduct online certificate and executive programmes.

KAKINADA CAMPUS

A land measuring 25 acres has been allotted to the Institute for setting up a full-fledged campus at Kakinada, a beautiful coastal town and a smart city in the State of Andhra Pradesh.

For the present batches of Integrated Programme in Management (Business Analytics and International Business), Jawaharlal Nehru Technological University, Kakinada has permitted IIFT to utilize a part of its campus and facilities for the purpose of conducting the Integrated Programme in Management. The University has state of art infrastructural facilities like Internet connectivity, library, playgrounds, auditorium, canteen and medical services. The classrooms are fully air conditional with modern audio visual aids.

JOURNAL DIVISION

The Journal Division brings out IIFT Journals, Newsletter, Working Papers, and Seminar Series. Foreign Trade Review (FTR) is a peer-reviewed quarterly journal having more than four and half decades of existence in the academic research fraternity. The journal is published by SAGE Publications India. This journal is included in the following abstracting and indexing databases: SCOPUS, Chartered Association of Business Schools (ABS); ABDC-B, Clarivate Analytics: Emerging Sources Citation Index (ESCI). The Journal intends to serve as a comprehensive forum for theoretical and empirical research on International Trade and Business. *Focus WTO*, another peer-reviewed quarterly journal published by the Institute. The objective of this interdisciplinary *Focus WTO* is to encourage applications of conceptual ideas and research methods in international business and management. "*Focus WTO* is indexed under the Directory of Research Journals Indexing (DRJI), Indian Citation Index (ICI), and J Gate.

The papers are published on-line and uploaded on the IIFT website

(<http://focuswtoib.iift.ac.in>). In addition, the Publication Division also publishes an in-house quarterly newsletter and hosts working papers and conducts seminar series.

INISTATUS

IIFT is expected to be conferred with the status of an "Institute of National Importance" in International Trade (Management and International Economics). The Bill for the same is under consideration with Government of India and is likely to be approved by the Parliament of India.

Conferment of INI status would empower the IIFT to attain standards of global excellence in International Trade (Management and International Economics) and allied areas of knowledge.

Subsequent to conferment of INI status, IIFT-Delhi, IIFT-Kolkata and IIFT-Kakinada will become independent institutes. The degrees will be awarded by the respective institutes and similarly, placement activities may also be managed by the respective institutes.

CENTRES AT IIFT

IIFT has following centres dedicated to respective focus areas, which contribute significantly to research, training and consultancy.

- Centre for WTO Studies
- Centre for Trade Facilitation and Logistics
- Centre for Regional Trade
- Centre for Trade & Investment Law
- Centre for North Eastern Studies (CeNEST)

Software Training in Economics

Students enrolling under the Ph.D. (Economics) and MA (Economics - Specialization in Trade & Finance) Programmes at IIFT are receiving hands-on training on various methodologies by the dignitaries of different fields to enrich their skills as well as to prepare them to cope up with both the national and international work environments. In the recent past, IIFT have delivered training on Stata and R respectively to enhance data analytic skills of the students.

In addition, Special Seminar Series have also been initiated by the institute, under which the following scholars have delivered lectures in recent past:

About the Programme

The Institute invites applications for its Ph.D. in Economics (Full-Time & Part-time) Programme from both domestic and overseas candidates for the year 2024.

Objectives

One of the primary purposes of the Ph.D. programme is to encourage scholars to undertake research and in-depth analysis and enrich knowledge in their chosen field. It includes the ability to independently apply methodologies of scientific research as well as to create new scientific knowledge. Further, the scholars are expected to demonstrate an ability to critically analyze research findings and to understand their importance in the wider contexts and effectively communicate and disseminate research results.

Duration & Process

Ph.D. Programme shall be for a minimum duration of three (3) years, including course work, and a maximum duration of six (6) years from the date of admission to the Ph.D. programme. (2) A maximum of an additional two (2) years can be given through a process of re-registration as per the Statute/Ordinance of the Higher Educational Institution concerned; provided, however, that the total period for completion of a Ph.D. programme should not exceed eight (8) years from the date of admission in the Ph.D. programme. Provided further that, female Ph.D. scholars and Persons with Disabilities (having more than 40% disability) may be allowed an additional relaxation of two (2) years; however, the total period for completion of a Ph.D. programme in such cases should not exceed ten (10) years from the date of admission in the Ph.D. programme. (3) Female Ph.D. Scholars may be provided Maternity Leave/Child.

During the first year, selected scholars need to complete the course work at the Institute covering two semesters. On successful completion of the course work including Seminar Paper and approval of the proposed research topic (Synopsis Confirmation), a confirmation certificate will be issued along with the name of Ph.D. Supervisor. A three-member Doctoral Advisory Committee (DAC) will be set up for each scholar for his/her doctoral research. The scholar has to present his/her research progress to the DAC at least two times a year. There is a minimum period of 2 years from the date of receiving the synopsis confirmation certificate after which the doctoral thesis can be submitted for external evaluation.

A maximum of 38 students, will be admitted to the Ph.D. programme of the Institute this year subject to suitability of candidates. However, the reservations

will be as per Government of India's Rules.

Course Structure

Selected scholars are required to attend course work at IIFT during the first year of the Programme. The total course work is of 16 credit hours (except the course on Research and Publication Ethics which is a 2 credit course of 30 hrs. duration). The course work is divided over two semesters: Semester 1 (tentatively August-December) and Semester 2 (tentatively January-June). Total credit hours are 160. All full-time Phd classes will be held between Monday and Friday.

In addition to the coursework, all Ph.D. Scholars including UGC (JRF) holders at the Institute will be involved in various teaching, research and other academic activities (e.g., offering tutorials, case presentations, etc.), helping faculty in teaching and evaluations.

Testimonials by Current Ph.D. Students

After my Masters in Economics in 1999, I was working in the corporate sector, primarily in the financial sector. Two decades later, I joined the part-time PhD programme in Economics in 2018. The course work was very useful in bringing me up to speed with the subject and the professors would help clarify concepts even outside class hours. The ride is challenging, but the elation felt in crossing each milestone is a reward in itself.

“When I joined the Ph.D. programme in Economics at IIFT in 2019 I already had about fifteen years of work experience in the Government of India dealing with multilateral and bilateral trade negotiations. The Course Work and the subsequent ongoing research undertaken during the Ph.D. programme has not only enhanced my perspective in my area of specialization but has also equipped me with a skill set to understand and undertake cutting edge research in the area. Personally, it has made my thought process more mature and independent, which is reflected in my work today. The faculty and staff at IIFT have been incredibly supportive and have guided us throughout, at the same time challenging us to bring out the best in us.”

“After joining IIFT as a doctoral student in 2019, I have come to recognize several ideas that have greatly impacted me and my views on learning. The institution provides a good atmosphere for learning and research. My interaction with the faculty and my colleagues have greatly benefitted me as they helped me to expand my limits and push my creativity.”

Testimonials by Past Ph.D. Students

“Doing my PhD at IIFT (2010 – 2016) was an extremely enriching and life changing experience for me. It took a little longer because I was doing it part time while carrying full time job responsibilities as director in Oracle. I’m thankful to IIFT and its excellent faculty for imbibing in me a research outlook that has greatly helped in my career and life. Every part of the PhD program helps shape you into a superior person – the course work, the topic selection, the process, the discussions, the difficulties, the outcomes, the grilling, the thesis writing, and finally the award of degree. I even published the core ideas into a book in 2018, with my supervisor Dr. Biswajit Nag as the co-author, and with Springer Palgrave Macmillian.

I heartily recommend this program to those who have a higher calling for pursuing doctorate degree.”

“Ph.D. (Economics) program at IIFT is designed to promote rigorous research work aimed at making a balanced contribution to academia, managerial practice and policymaking. Thorough and well-paced interactions with faculty members give scholars an ample opportunity and environment to validate their creative ideas and develop an informed approach towards problem identification and solving.”

“I received my PhD degree (part-time programme) in Oct 2021. The five years at Indian Institute of Foreign Trade, New Delhi was a great preparation for my career development. During my PhD work, I had ample opportunities to attend national and international conferences. Members of my Doctoral Advisory Committee (DAC), motivated and inspired me to unfold the new research ideas and supported me throughout my coursework. Due to our collaborative effort, I published several articles in ABDC journals during my PhD research.”

“My experience of the PhD Programme (Economics & Trade Policy) at IIFT Delhi has been extremely enriching so far. The programme started with a six-month rigorous coursework that equipped us with the skills required to identify and frame our research objectives. The seminar paper presentation after the coursework helped us further refine the framework and methodology of our doctoral research. Regular meetings with the supervisors and doctoral advisory committee members provided valuable insights to broaden and deepen the scope of doctoral work. Moreover, the institute is well-equipped with a world-class library, provides access to premium statistical software and databases, along with opportunities to interact with national as well as international researchers and scholars through workshops and conferences. In sum, IIFT provides a stimulating environment for conducting comprehensive and rigorous research.”
